

**Remote
Learning -
End of
Day 4
Reflection**

Dear Parents

I hope you are all well. I just wanted to send a brief update tonight to say thank you for all of the support that you've given this week. This is a testing time for everyone and we are all trying to adjust and adapt very quickly. I apologise that I have not been able to respond to all messages yet, I will work through my inbox as soon as I am able and will get back to you all. As the days progress we are working very hard in the background to manage the challenges of being a remote learning school.

The staff at St Michael's appreciate your patience as we adapt to this new system of learning and teaching. We are all doing our very best and it is important to remember that there are times when each and every one of us will feel overwhelmed and a little lost. By working together, as one community, we can help each other find our feet and take the next steps with assurance.

I am sure that you will all look forward to the weekend and some complete down time. We will kick start tomorrow with a Friday Freestyle dance party and we hope that you will all join us, with the pupils, to let go and have a good old boogie. I can't wait!

Very best wishes,

Mary Bridges

Acting Head
